Two bright orange wooden shutters, made of vertical planks and secured with horizontal bands, are flanking a central white rectangular area. Each shutter has a small black metal ring handle. The entire composition is set against a solid yellow background. In the center of the white area, the text 'JOMANI E' is displayed in a large, purple, 3D block font with a reflection effect below it. Below this, the word 'LWENY' is written in a smaller, matching purple 3D block font, also with a reflection effect.
