

A . Ekuqaleni... uNkulunkulu.

- ❖ Lezi zindaba ezimbili zeNdalo zethula uNkulunkulu ngezindlela ezimbili ezihlukene:
 - UGenesisise 1:1-2:3 wethula uNkulunkulu onamandla: Angadala ngezwi lakhe nje. Amandla akhe amakhulu asishukumisela ukuba simdumise futhi simkhonze (IHubo 95:3-6).
 - UGenesisise 2:4-25 wethula uNkulunkulu oseduze: Wasilungiselela ikhaya futhi wasibumba ngezandla Zakhe. Uyayikhathalela injabulo yethu futhi usifundisa indlela yokuphila.

Namuhla sihlukanisiwe ebukhoneni bukaNkulunkulu ngenxa yesono. Nokho, sisengakwazi ukwazisa amandla akhe nokusondelana Kwakhe. Singajabulela ubukhona bukaNkulunkulu obumangalisayo nobuthandekayo ezimpilweni zethu.

B Umsebenzi kaNkulunkulu:

❖ . Indalo Epheleleyo.

- Inkulumbo ethi “omuhle” [tov ngesiHebheru] isetshenziselwa ukuchaza ukuthi iNdalo yasebenza kahle; ukuthi laliphelele futhi lilihle futhi kwakungekho bubu kulo. Yebo kwakungekho ukufa. Ukufa kwakungeyona ingxenye yenqubo yokudala.
- - Inqubo yezinkulungwane noma izigidi zeminyaka ayihambisani neNdalo. Izihlahla zithela izithelo (Genesisise 1:12; 2:9). Izinyoni ziyandiza, nezilwane ziyahamba (Genesisise 1:20, 25). U-Adamu wadalwa njengomuntu omdala owayekwazi ukukhuluma nokucabanga (Genesisise 2:19).
- — Lapho kuphela Indalo, “ukudalwa kwezulu nomhlaba nakho konke okukukho kwaqedwa” (Genesisise 2:1 NLT). Kwakuyizinsuku eziyisithupha nje ezingokoqobo.
- .

❖ Isikhathi esihle.

- LUkukhanya¹, ulwandle², umhlaba³, uhlaza⁴, izinkanyezi⁵, izinhlanzi⁶, izinyoni⁷, izilwane⁸, abantu⁹. Konke kwenziwa ngezinsuku eziyisithupha. Kodwa kwakukhona into ebalulekile eyayishoda, isici seshumi esasizobeka umkhawulo enqubweni: usuku lwesikhombisa¹⁰.
- - Isikhathi sokuphumula, ukuzindla, ukuhlangana nabantu, nenhlanganyelo noMdali. Labo bantu abaphelele babesidinga lesi sikhathi esikhethekile, ngakho sisidinga nakakhulu ngemva kwezinkulungwane zeminyaka yesono (Eksodusi 20:8-11).
- — ISabatha lisikhumbuza ngemvelaphi yethu, nangekusasa lethu elikhazimulayo ngokuHlengwa
- (Duteronomi 5:15; Isaya 66:23).

❖ Uluntu olupheleleyo.

- Umfanekiso kaNkulunkulu uhlanganisa:
 - (1) Isimo esingokomoya esenza sikwazi ukukhuluma noNkulunkulu.
 - (2) Ukufana ngokomzimba noMdali wethu.
 - (3) Ikhono lokucabanga nokwenza izinqumo zokuziphatha.
 - NgokukaGenesisise 2:7 , lapho umoya (umoya) ungena emfanekisweni wobumba uNkulunkulu ayewubumbile (umzimba), kwadalwa isidalwa esiphilayo (umphefumulo).
 - Khona-ke uNkulunkulu wenza isinyathelo sesibili sokudala (Genesisise 2:21-22) kanjalo ephelelisa “umuntu” ophelele: owesilisa nowesifazane, owesilisa nowesifazane.

C Izipho ezivela kuNkulunkulu

- ❖ Lapho uNkulunkulu edala umuntu wokuqala, wamnika izipho ezintathu ezazisho izibopho ezintathu:
 - Insimu Yase-Edene (Genesisise 2:8): Kwakuyikhaya eliphelele. Kwakufanele ayibheke futhi ayilime. Kufanele sikugcine lokho uNkulunkulu asinike kona.
 - Ukudla (Genesisise 2:16): UNkulunkulu wamnika ukudla okufanele umzimba wakhe ophelele. Wengeza umgoqo ukuze abonise ukwethembeka kwakhe kuLowo owayemnike konke (Genesisise 2:17).
- Owesifazane (Genesisise 2:22): Isipho esiphelele. Umuntu ozomthanda. Umuntu ayengabelana naye ngakho konke. Umuntu ozoba “nyamanye” naye (Genesisise 2:24
