Hatabayeho kwizera, ibyo bintu biba ubumenyi gusa, cyangwa imihango idafite icyo ivuze.

Ariko hamwe no kwizera, biba ibintu bikomeye bitugeza ku ntera ndende z'imibereho yacu mu bya mwuka: "byose bishobokera uwizeye" (Mariko 9:23).

ZITANDUKANYE
Z'UKWIZERA**

KWIZERA N'IBIMENYETSO

“Yesu aramubwira ati 'Ntimwakwizera keretse mubonye ibimenyetso n'ibitangaza.' ” (Yohana 4:48)

Ikimenyetso ni ikirango cyangwa igihamya cyihariye gitangirwa kwemeza ubutumwa bwahumetswe cyangwa gushyigikira ubutware bw'Imana. Nubwo ikimenyetso muri rusange cyumvikana nk'igitangaza—nk'icyo mu bukwe bw'i Kana (Yohana 2:11)—kuba Abisirayeli barakambitse imbere y'umusozi wa Sinayi kugira ngo baramye Imana (Kuva 3:12) nabyo byatanzwe nk'ikimenyetso.

Abafarisayo basabye Yesu kubereka ikimenyetso icyo ari cyo cyose cyagaragaza ko ari we Mesiya, kugira ngo bamwizere (Mariko 8:11).

Yesu yarababaye cyane ubwo basabaga ikimenyetso ngo bashyigikire kutizera kwabo (Mariko 8:12). Iyo umuntu adashaka kwizera, nta kimenyetso na kimwe kizashobora kumwemeza.

Imana yaduhaye ibimenyetso bihagije mu Ijambo ryayo no mu byaremwe kugira ngo ushaka kwizera wese yizere. Ariko, haba hari umwanya abashaka gushidikanya bakoresha. Ni yo mpamvu Yesu yahaye umugisha udasanzwe “abizera batabonye” (Yohana 20:29).

IGIPIMO CY'UKWIZERA

“Umwami ati 'Mwagira kwizera kungana n'akabuto ka sinapi, mwabwira uyu mukuyu muti «Randuka uterwe mu nyanja,» na wo wabumvira' ” (Luka 17:6)

Hariho ibipimo bitandukanye by'ukwizera:

**Kwizera
kw'intumwa**

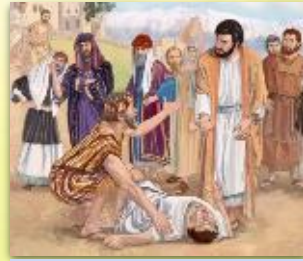

“Kuki
mutizera?”
(Mariko
4:40)

**Kwizera
kwa Petero**

“Yewe ufite
kwizera
guke!”
(Matayo
14:31)

**Kwizera
k'umubyeyi**

“Ndizeye,
nkiza
kutizera”
(Mariko
9:24)

**Kwizera k'
Umunyakananikazi**

“Kwizera
kwawe ni
kwinshi,”
(Matayo

mu Bisirayeli”
(Luka 7:9)

wuzuye
kwizera”
(Ibyakozwe
6:5)

Ni koko ukwizera gushobora gukura uko imizi yo kutizera irandurwa. Kwemera kugomba kugenda gusimbura gushidikanya. icyifuzo cyacu kigomba kuba: “Twongerere ukwizera” (Luka 17:5).

Binyuze mu murimo w'Umwuka Wera, kwiga Bibiliya, n'umubano wacu n'Imana, tuzabasha kubona ko “kwizera kwanyu kugwira cyane” (2 Abatesalonike 1:3).

KWIZERA N'IBYIYUMVO

"Mwakijijwe n'ubuntu ku bwo kwizera, ntibyavuye kuri mwe ahubwo ni impano y'Imana." (Abefeso 2:8)

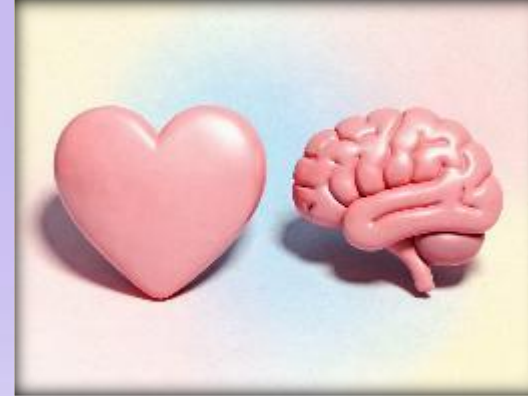

Ese kwizera ni ibyiyumvo cyangwa ni igikorwa gishingiye ku kumenya?

Igisubizo cy'iki kibazo ni ingenzi. Kuvuga ngo "NUMVA narakijijwe" bitandukanye na "NZI ko nakijijwe."

Ariko reka duhere ku ntangiriro. Ukwizera kuva he? Ukwizera guturuka ku Mana kandi ikuduha nk'impano (Abaroma 12:3; Abefeso 2:8).

Iyo twakiriye neza iyo mpano—iyo dutangiye kugaragaza ukwizera—uko kwizera kudutera kumva twishimye, dutuje; twumva turuhutse mu buryo bwa mwuka; ...

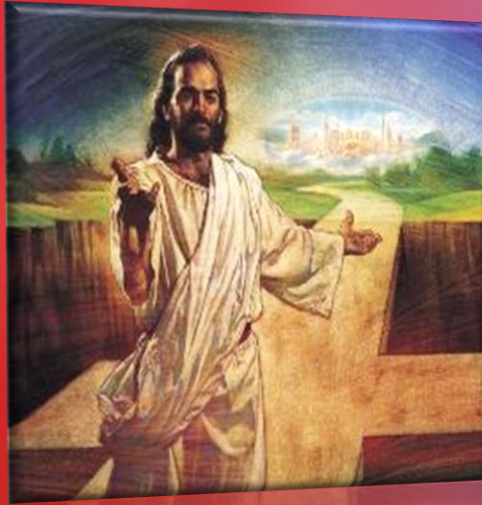

Ariko kwizera ubwako si ibyiyumvo; ni "ukumenya rwose" no "guhimirizwa" (Abaheburayo 11:1). Si ikintu gishingiye ku byiyumvo byacu. Iyo numva mfite intege nke, cyangwa iyo numva ko agakiza kanjye kari kure, ni bwo ngomba gukoresha ukwizera gukomeye.

The background features several colored pencils in shades of red, purple, green, and yellow, arranged diagonally. A white horizontal banner is overlaid across the middle of the image.

KWIZERA NI IKI?

UBUSOBANURO NO GUKURA BY'UKWIZERA

Mu Baheburayo 11:1, 3, na 6 haduha ubusobanuro bwagutse bw'ukwizera. Kwizera gufitanye isano ikomeye n'uburyo tubona Imana. Kudutera kuyizera nk'Umuremyi n'Utugororera.

Mu mugabane usigaye w'iki gice, Pawulo avuga ku kwizera kw'abagabo n'abagore benshi batubera urugero n'inkomezi ngo mu gihe dutegereje ingororano tudacika intege.

Nkuko twabibonye, twese ntidufite urwego rumwe rw'ukwizera. Nakora iki kugira ngo nkuze ukwizera mfite, kwaba ari guke cyangwa kwinshi?

"Kwizera ni ukumenya rwose ibyiringirwa udashidikanya ko bitazaba, kandi ni ko kuduhamiriza ibyo tutareba ko ari iby'ukuri." (Abaheburayo 11:1)

Gukoresha kwizera, uko kwaba guto kose (Matayo 17:20)

Gusaba Imana kukōngēra (Luka 17:5)

Kudashingira ukwizera kwanjye ku kw'abandi (Matayo 25:8)

Kwiga Bibiliya (Abaroma 10:17)

Kudaha ugushidikanya akito (Mariko 9:23–24)

Kumvira Umwuka Wera (Abagalatiya 5:22)

Kugira akamenyero ko gukoresha ukwizera kwanjye (2 Abakorinto 5:7)

KWIZERA KWA YESU

“Aho ni ho kwihangana kw’abera kuri, bitondera amategeko y’Imana bakagira kwizera nk’ukwa Yesu” (Ibyahishuwe 14:12)

Twebwe, abera turiho mu gihe cyegereje Kugaruka kwa Yesu, turangwa n’ibintu bibiri tugomba “kwitondera” (ni ukuvuga kumvira cyangwa kubungabunga): amategeko n’ukwizera kwa Yesu (Ibyahishuwe 14:12).

Amategeko cumi (amategeko) n’Ubutumwa Bwiza (kwizera) ni isanga n’ingoyi. Ntushobora kumvira udafite kwizera, cyangwa ngo wizere utumviye. Ariko se kugira “kwizera kwa Yesu” bisobanura iki?

Kumvira Yesu n’Ijambo Rye

Kugirana na Yesu umubano uhoraho

Kugira Yesu ishingiro ry’imibereho yacu

Kubaho dukurikije ukwizera kwacu

Gushingira ukwizera kwacu kuri Yesu

Kwerereza Yesu mu mibereho yacu

Kwemera impano y’ubuntu Bwe

Kubwo kugira kwizera muri Yesu, turatsindishirizwa (Abaroma 5:1), tukezwa (Ibyakozwe 26:18), kandi tukaba abana b’Imana (Yohana 1:12).

“Noneho wiringire Umwami Yesu kugira ngo akuyobore intambwe ku yindi mu nzira nziza. Kuri buri ntambwe utera, ushobora kubona ubwishingizi n’imbaraga, kuko ushobora kwiringira ko ukuboko kwawe kuri mu kuboko Kwe. Ushobora “kwiruka ntunanirwe”; ushobora “kugenda ntucogore” kuko kubwo kwizera ushobora kumenya ko ukuboko kwawe kuri mu kuboko kwa Kristo. Ntuzacika intege, kuko uko ukomeza kumenya Umwami, ukamwiringira, uzagira ubwishingizi bw’uko Utajya atererana abamwiringira by’ukuri ari We Mutabazi wawe uhoraho.”
