Di Moses no ben de, a folku aksi Aron fu meki wan *elohim* di den ben kan si nanga anbegi. (Eks. 32:1). Heresi den ben fergiti den komandi di den ben kisi nanga a kruderi di den ben meki fu hori den.(Eks.24:7)

Disi ben wani fu taki, dati Gado ben sa teki sondu na en tapu fu tyari en, fu pai a paiman. (Yes. 53:6; Roma 6:23). Na dati Yeises du na a kroisi, yoisti so. A teki wi sondu na en tapu, sofasi a ben kan dede a dede di wi ben musu dede. (2 Peit. 2:24)
