In the upper left, a dark green rectangular sign with rounded corners displays the word "KINEPNA" in a white, bold, sans-serif font. The sign is illuminated from the left, creating a bright glow. Below the sign, a series of parallel, horizontal green beams or steps recede into the distance, creating a sense of depth. The background consists of more complex, layered green structures that appear to be part of a larger building or installation, with various planes and angles catching the light.
